Re: Docket Number 98P-0151/CP1

To whom it may concern:

I urge you to please grant Farm Sanctuary's petition to prohibit the slaughter of downed animals.

Farm Sanctuary actively lobbies government officials and agencies to educate policy makers about downed animal abusers and to let them know how many people care. There should be a law to protect downed animals from the abuse and cruelty that they suffer. Leaving these animals to lay and suffer from inhumane methods that cause injuries is very sickening. I don't know how anyone can be so cruel.

Please pass Farm Sanctuary's petition to prohibit the slaughter of downed animals.

Yours very truly,

Pat Wilkins
